LAUNCH OF THE INDUATRY 5.0 SELF-ASSESSMENT TOOL

Industry 5.0 Self-Assessment Tool – Industry 5.0 Maturity Practices and Scenarios for Furniture Companies

Use the tool!

This tool provides a structured framework to assess the **Industry 5.0 maturity of furniture companies**, based on **51 practices** and scenarios organised into four strategic blocks: **Technology Deployment, Sustainability, Human-Centricity and Resilience**. These four blocks represent the key dimensions required to build a competitive, sustainable, human-focused and resilient furniture industry.

Industry 5.0 requirements are increasing in the furniture sector. Is your company ready to lead the transition?

- Mark all the answers that best reflect your company's current practices and scenarios across all blocks.
- Obtain your **Industry 5.0 maturity index (0 - 100%)**.
- Identify your **strengths and maturity gaps** across Technology Deployment, Sustainability, Human-Centricity and Resilience.
- Explore **recommended actions and technological applications** for selected practices to support improvement and prioritisation.
- Start your company's journey towards a more **sustainable, human-centric and resilient Industry 5.0 furniture business**.
